11. oral presentation *Predicting the role of suspected variables in presence of Anti-Tpo and Anti-Tg in chronic hepatitis C before treatment with IFN-alpha* 13th AOCE ,Tehran,may,10,2006(Oral presentation) . (Poster presentation)

12. Small bowel obstruction by a terminal ileum carcinoid tumor: a case report

MJIRI, Vol. 25, No. 3, Nov 2011, pp. 165-169

13. Predicting the role of suspected variables in presence of Anti-Tpo and Anti-Tg in chronic hepatitis C before treatment with IFN-alpha

14. Ethical Aspect in Gastrointestinal Endoscopy in Iran

MJIRI. Vol. 24, No.1, May, 2010. pp. 1-4

15. Effective factors in optimizing learning from the viewpoints of the nonclinical medical academics of bandar abbas faculty

Hormozgan journal of medical science 2011

16. patient preferences for hospital quality in Bandar abbas using a discrete chronic experiment:2010-2011

Life science journal 2012 ;9(4)

17. population aging trend and necessity of geriatric medicine in iran

Life science journal 2012 ;9(4)

18. poster presentation icgh 2011

Frequency of YMDD mutations in patients with chronic hepatitis B untreated with antiviral medicines

19. poster presentation icgh 2011

Effects of obstructive sleep apnea syndrome on serum aminotransferase levels and insulin resistance

20. first report of death due to hemiscorpius acanthocerus envenomation in iran : case report

Electronic physician 10/2015 ;7 (5): 1234-8

21. Epidemiological aspect of scorpion sting in bandar abbas, iran during 2009 - 2011

electronic physician

22.

Distribution of Hepatitis C Virus Genotypes Among Patients With Hepatitis C Virus Infection in Hormozgan, Iran

Hepat Mon. 2013 December; 13(12): e14324.

23.

A Review Study on Distribution and Medical Importance of Hemiscorpius Peters, 1861 in Iran

(مجله دانشگاه علوم پزشکی مازندران دوره بیست و چهارم شماره 120 دی سال 1393) 107-124

24.

Severe hematuria due to Hemiscorpius enischonchela (Hemiscorpiidae) envenomation from south of Iran,

25.

Silymarine extract improved plasma homocysteine, lipids and liver enzymes in hyperhomocysteinemic non-alcoholic steatohepatitis

Physiol Pharmacol 19 (2015) 139-145

27.A GIRL WITH ABDOMINAL PAIN

ARCHIVES OF IRANIAN MEDICINE, VOL.20, NO.08, AUGUST 2017

. Students Supervised

1. Evaluation of liver and pancreas involvement in scorpion sting patients
2. Prevalence of HCV infection in hormozgan
3. Evaluation of HCV genotype in hormozgan
4. Evaluation of H.pylori infection in coronary artery disease
5. Evaluation of HCV genotype in thalassemia
6. evaluation of vit d deficiency in cirrhotic patients
7. evaluation of IDA in HP infection
8. The essential role of microRNA biomarker profiling in the diagnosis and therapeutic management of hepatitis B virus infections and complications
9. Randomized controlled trial to compare the efficacy and safety of standard therapy and *Saccharomyces boulardii* with standard therapy in treatment of *Helicobacter pylori* eradication in bandar abbas in 2016
10. Association of fecal calprotectin with disease severity in inflammatory bowel disease (IBD) patients in Bandar Abbas in 2016
11. A Randomized controlled trial to compare the efficacy and safety of sequential therapy with standard triple for *Helicobacter pylori* eradication in Bandar Abbas in 2015
12. Comparison of treatment response to calcium EDTA and succimer in oral opium addicted patients with lead poisoning attending to Shahid Mohammadi hospital in 2016
13. **A Survey of correlation between insulin – like growth factor – I (IGF – 1) Levels and the severity of liver dysfunction in cirrhotic patient referred to shahid mohammadi hospital of Bandar abbas from ۲۰۱۶ to ۲۰۱۷**

۱۴. Randomized controlled trial : comparison of Levofloxacin versus Clarithromycin efficacy in the first- line triple regimen for Helicobacter pylori eradication in Bandar Abbas in 2016
15. Association of clinical presentation of inflammatory bowel diseases (Crohns' disease and ulcerative colitis) and endoscopic findings in patients with IBD in Bandar Abbas in 2017
16. Epidemiology of inflammatory bowel diseases in Bandar Abbas in 2017
17. Randomized controlled trial : comparison of metronidazole versus Clarithromycin efficacy in the first line quadruple therapy for helicobacter pylori eradication therapy in bandar abbas in 2017

غنای گونه ای عقرب همی اسکورپیوس (*Hemiscorpius*) و علائم بالینی ناشی از گزش آن در بیماران مناطق پر خطر بندرعباس و خمیر در سال 1393

8. Guide phd by research student

1. The essential role of microRNA biomarker profiling in the diagnosis and therapeutic management of hepatitis B virus infections and complications
